

T40&T20P Aircraft	
Main Components	Warranty Period
FPV Module	12 months
Omnidirectional Radar Module	12 months
RF Board	12 months
Aerial-Electronics Module	12 months
Spraying Module/Spraying Module	12 months
Cable Distribution Board Module	12 months
Dual Vision Sensors	12 months
Air-Cooled Heat Sink	12 months
Power Distribution Board Module	12 months
RTK Antenna Module	12 months
Backward Vision Radar	12 months
ESC	12 months
Propulsion Motor	12 months
Frame	12 months
Easily Worn Parts	Warranty Period
Load Sensor Module	3months
Centrifugal Spray Bar Assembly	3 months

Pump	3 months
Flow Meter Module	3 months
Spraying Adapter Module	3 months
Liquid Level Meter Module	3 months
Aircraft Arm In-Position Detector Signal Cable	3 months
cable	15 days
Propeller&Propeller Clamp	15 days
Hose	15 days
Others	Warranty Period
Other Accessories	15 days
Packaging Materials	No warranty
T40&T20 Remote Controller	
Main Components	Warranty Period
SDR Board	12 months
Core Board Module	12 months
GPS Board	12 months
Button	12 months
Type-C Socket	12 months
Type-A Socket	12 months

65W portable charger	12 months
RTK Dongle Antenna Module	12 months
Remote Controller Battery	12 months
Others	Warranty Period
Other Accessories	No warranty
T40&T20P Charger&Battery	
Main Components	Warranty Period
Intelligent Charger (T20P/T40)	12 months
Battery Station AC module (T20P/T40)	12 months
Intelligent Flight Battery (T20P/T40)	12 months or 1500 charge cycles(whichever comes first)
Others	Warranty Period
Other Accessories	No warranty
Packaging materials	No warranty
T40&T20P Spreading system	
Main Components	Warranty Period
Control Module	6 months
Servo Module	6 months
Reduction Gearbox	6 months
Easily Worn Parts	Warranty Period

Structural components	15 days
Cables	15 days
Water Tank	15 days
