

T40&T20P Aircraft	
Main Components	Warranty Period
FPV Module	24 months
Omnidirectional Radar Module	24 months
RF Board	24 months
Aerial-Electronics Module	24 months
Spraying Module/Spraying Module	24 months
Cable Distribution Board Module	24 months
Dual Vision Sensors	24 months
Air-Cooled Heat Sink	24 months
Power Distribution Board Module	24 months
RTK Antenna Module	24 months
Backward Vision Radar	24 months
ESC	24 months
Propulsion Motor	24 months
Aircraft Arm In-Position Detector Signal Cable	24 months
Frame	24 months
Easily Worn Parts	Warranty Period
Centrifugal Spray Bar Assembly	6 months

Load Sensor Module	6 months
Pump	6 months
Flow Meter Module	6 months
Spraying Adapter Module	6 months
Liquid Level Meter Module	6 months
cable	30 days
Propeller&Propeller Clamp	30 days
Hose	30 days
Others	Warranty Period
Other Accessories	30 days
Packaging Materials	No warranty
T40&T20 Remote Controller	
Main Components	Warranty Period
SDR Board	24 months
Core Board Module	24 months
GPS Board	24 months
Button	24 months
Type-C Socket	24 months
Type-A Socket	24 months

65W portable charger	24 months
RTK Dongle Antenna Module	24 months
Remote Controller Battery	12 months
Others	Warranty Period
Other Accessories	No warranty
T40&T20P Charger&Battery	
Main Components	Warranty Period
Intelligent Charger (T20P/T40)	24 months
Battery Station AC module (T20P/T40)	24 months
Intelligent Flight Battery (T20P/T40)	12 months or 1500 charge cycles(whichever comes first)
Others	Warranty Period
Other Accessories	No warranty
Packaging materials	No warranty
T40&T20P Spreading system	
Main Components	Warranty Period
Control Module	6 months
Servo Module	6 months
Reduction Gearbox	6 months
Easily Worn Parts	Warranty Period

Structural components	30 days
Cables	30 days
Water Tank	30 days
